

To: The Principal, Educon International School
Respected Sir/Ma'am,

We are the Secretariat of Sardar Vallabhbhai Patel Model United Nations. We are writing to you to express our interest in hosting our conference in the month of July at your esteemed institution. We have put in all the details below.

Event Details

This is the maiden edition of SVPMUN (Sardar Vallabhbhai Patel Model United Nations). SVPMUN was started by our team to provide a transformative experience for students to develop critical skills through debate and deliberation while addressing global issues.

A Model United Nations (MUN) is an academic simulation of the United Nations where students play the role of delegates from different countries and attempt to solve real-world issues with the policies and perspectives of their assigned country. A MUN motivates students to learn by activating their imagination and creativity.

They also teach students about global issues while building their confidence and leadership skills through experience. They allow students to develop their research, public speaking, teamwork, negotiation and writing skills in a structured environment.

Event Plan

The event will have an expected footfall of 160-200 delegates. While including other staff like the Organising Committee, Secretariat and Executive Board, it will have a cumulative footfall of 200- 230 individuals.

The event will be conducted on a Saturday and Sunday (Two Days), the final dates being the 4th and 5th July 2026.

The event will include the following:

On Day 1 (Saturday 4th July 7 AM - 7 PM) - Opening Ceremony, Committee Sessions, Lunch, High Tea

On Day 2 (Sunday 5th July 7 AM - 7 PM) - Committee Sessions, Lunch, High Tea, Closing and Award Ceremony.

Requirements

We will require the following from the school:

- Classrooms: 7 Classrooms will be required for the 2 days that the conference takes place. These must-have charging ports, ventilation and lighting.
- Hall and Cafeteria: A hall (preferably an auditorium-like area) and cafeteria area will be required for the ceremonies and dining. The areas will need chairs for seating if not already present. Microphones, speakers and preferably a screen and projector for presentations and speeches in the hall are needed.
- Support Staff: Staff like Maushis and Nurses would be beneficial for any assistance that may be required or any emergencies that may occur, and we would appreciate if the same were provided
- Restrooms: Access to the nearest possible restrooms will be required.
- Registration Area: A small area located nearby to set up desks for participants to mark their presence and collect their participation kit.
- Water: Access to water coolers for drinking water would be appreciated.
- Areas for the event to put up Banners and/or Flags during the conference.
- The Secretariat of SVP will bear the cost of any damages caused to college property, whilst ensuring that discipline and decorum are maintained, along with cleanliness across the campus post the completion of the conference.

Benefit for College

We are willing to provide the following benefits in exchange for the previously mentioned Requirements:

- A discount on Registration Cost for students participating in the event from Wisdom World School. This is an excellent opportunity for students of your institute to gain exposure to Public Speaking while allowing them to develop soft skills such as research and negotiation. This event is also an excellent networking opportunity.
- Students from over 10+ institutes will be present at the event, allowing for the institute to get larger exposure as several other students will be able to see the facilities and opportunities available. As many of the students at our event will be school-going, it is an excellent opportunity for the institute to be marketed as an educational prospect.
- The institute will be marketed across all Social Media handles that the event shall utilise as its official venue partner, allowing for further exposure and marketing for the institute.

- A memento will be presented to the Head of the Institute/Department as a token of gratitude during the Closing Ceremony.
- A free training workshop on Public Speaking will be conducted in the institute by members of our team exclusively for all students of the institute, regardless of whether the students have registered for the event or not.
- We are willing to negotiate for commercial, monetary or any other aspects involved, if any.
